Proposed Demolition Dates: Begin: _____ End: _____

New Construction Planned to Begin: _____

Demolition Contractor: _____

Contractor's Address: _____

Contractor's Phone: _____

Structures to be Demolished: _____

1. Chain link fence is required during demolition.
2. If the lot is to be left vacant for a period of 6 months or longer, the lot must be mowed frequently and be kept free of trash and debris. Remove chain link fence after demo is cleared.
3. If the public walk is removed and construction is to be delayed for more than 6 months, the walk must be replaced immediately.
4. No living tree is to be removed without prior approval by the MACC.
5. Provide a schedule for potential new construction on the property. *Application for new construction must be approved by the MACC prior to beginning the work.*
6. Provisions must be made for controlling erosion of the property to the street.
